PROFESSIONAL SUMMARY

Frontend Developer with over 3 years of hands-on professional experience specializing in Angular (12-17+) and modern web architectures. Proven ability to architect dynamic Single Page Applications (SPAs), reduce API rendering times, and boost Lighthouse scores. Combines extensive technical experience with a strong track record of delivering scalable healthcare, lifestyle, and business platforms using modern Component Architecture and State Management patterns.

TECHNICAL SKILLS

- **Angular Ecosystem:** Angular (12-17+), Standalone Components, TypeScript, RxJS, NgRx, Angular Material, Lazy Loading, Dynamic Routing.
- **Web Technologies:** JavaScript (ES6+), HTML5, CSS3, SCSS, Tailwind CSS, Bootstrap, Responsive Design.
- **Architecture & Tools:** Nx Monorepo, REST API Integration, Git, GitHub, Linux (Zsh), Unit Testing, Agile/Scrum.
- **Performance & UI:** GSAP, ScrollTrigger, Code Splitting, Lighthouse Optimization.

WORK EXPERIENCE

Angular Developer

Mar 2024 - Present

Dopave (Hybrid) | Cairo, Egypt

- Architected 4+ complex healthcare dashboards leveraging Angular 16 within an Nx Monorepo.
- Optimized application state and RxJS data streams, boosting performance by 35% and cutting API load times by 30%.
- Engineered secure authentication flows, implementing custom routing logic that strictly prevents backward browser navigation to login/registration screens post-authentication.
- Developed intuitive UI navigation systems, including a dynamic primary application sidebar configured to collapse automatically upon sub-menu route selection.
- Engineered a library of 15+ scalable Angular components, reducing code duplication by 40% across the team.

Angular Developer

Jun 2025 - Nov 2025

Cairah (Part-time)

- Drove frontend development for AI-powered web interfaces using Angular, TypeScript, and SCSS.
- Implemented advanced UI/UX features with GSAP and SCSS, ensuring Responsive Design across all viewports.
- Developed complex layout components, including a custom Swiper display that maintains center-card expansion by default.
- Enhanced Angular routing and SEO metrics, elevating platform user engagement by 30%.

Frontend Developer

Feb 2023 - Sep 2023

Sahm (On-site) | Cairo, Egypt

- Built and maintained reactive user interfaces utilizing Angular, TypeScript, and responsive layouts.
- Engineered reusable Angular components, accelerating development workflows and improving page load times.

Freelance Frontend Developer

Jan 2023 - Feb 2024

Independent Contractor

- Delivered 6+ SPA projects across healthcare, education, and logistics utilizing Angular and Bootstrap.
- Implemented SEO-optimized architectures, driving a 25% organic traffic increase.

Frontend Web Developer Intern

Feb 2022 - Oct 2022

Health Pay | Cairo, Egypt

- Contributed to frontend codebase updates utilizing Angular, HTML, and CSS.
- Developed interactive features and executed complex responsive layout adjustments.

SELECTED PROJECTS

- **Antika World:** Developed the interactive frontend platform for a luxury urban destination in Sofia, showcasing dynamic business portfolios including co-working spaces, retail, and smart mobility solutions with a focus on immersive user experiences.
- **Deelz CRM:** Built and refactored a comprehensive dashboard software project utilizing Standalone Angular architectures and Tailwind CSS, successfully resolving complex nested routing elements.
- **Babu POS / Dashboard:** Built a responsive analytics dashboard focused on complex data visualization. Maintained and engineered core frontend modules including invoice templates and dynamic product variation rows.
- **Cairah Website:** Engineered the official AI healthcare landing page using Angular, GSAP, and ScrollTrigger, boosting SEO by 30%.
- **LMS Platform:** Architected a dynamic learning system with progress tracking, driving a 40% engagement increase.

EDUCATION & CERTIFICATIONS

Bachelor of Commerce - Tanta University

Certifications: Angular (Udemy, 2024), JavaScript Algorithms & Data Structures (freeCodeCamp, 2023).

Languages: Arabic (Native), English (Professional Working Proficiency).
